

TWO AMAZING REPORTS

WITH EVERY INSPECTION

Inspection Insights report helps you when you're buying your home – what are the issues, why they're important, and how to resolve. **Plus our editable spreadsheet** for building contract addendum and sharing with vendors for repair quotes.

SYSTEM AND COMPONENT ASSESSMENT

Inspection Insights evaluates the condition of 125+ systems and components across a dozen major categories. We outline everything thoughtfully so you know exactly what the issues are.

EASY TO UNDERSTAND GRAPHICS

Our Graphical Summary displays stoplight colors to show you the status of each system. Within seconds, you and your real estate agent know where to focus.

SUMMARIES AND RATINGS

Our Narrative Summary prioritizes issues and clearly describes each issue and recommendation so you and your agent can plan a path forward.
